Bearing Manufacturers, OEM vs. BCA vs. Timken | CorvetteFeb 18, 2008 — I'm looking at replacing a rear wheel bearing on my 02. I've found Autozone has Timkens for about 133, Oreilly has BCA/National (Federal Mogul) for 122 They're all made by Timken. They're all the same. They all fail on a what brand of wheel bearings? [Archive] Years ago NTN purchased the Bower/BCA/Federal Mogul rolling element bearing manufacturing plants. If it says BCA Made in the USA, it's one

Timken vs.BCA wheel bearings | SHO ForumWould any of you recommend I spend a premium for Timken rear wheel bearings vs BCA (Federal Mogul)? I'm also replacing one front wheel BCA WE60387 Wheel Bearing: Automotive and manufactured to meet or exceed OE engineering specifications. As the aftermarket brand from NTN Bearings, BCA has over 100 years of premium-quality
